

# Occupational Therapy Services Log

**Treatment Key:**

1	Direct	Assistive Technology: Access to Device	28	Direct	Neuromuscular Development: Trunk Control
2	Direct	Assistive Technology: Student Training	29	Direct	Neuromuscular Development: Upper Extremity
3	Direct	Domestic Maintenance: Adaptive Activities	30	Direct	Personal Maintenance: Adaptive Dressing Skills
4	Direct	Equipment: Splint / Orthotic / Prosthetic Check	31	Direct	Personal Maintenance: Adaptive Grooming / Hygeine
5	Direct	Equipment: Splint / Orthotic / Prosthetic Training	32	Direct	Personal Maintenance: Therapeutic Feeding
6	Direct	Equipment: Student Training	33	Direct	Personal Maintenance: Toileting
7	Direct	Equipment: Student Training: Headstick, Dowel Pointer, Mouthstick, Switch	34	Direct	Positioning: Adaptive Seating
8	Direct	Fine Motor / Upper Extremity: Functional Range of Motion	35	Direct	Positioning: Adaptive Standing
9	Direct	Fine Motor: Bilateral Hand Coordination	36	Direct	Positioning: Alternative Device
10	Direct	Fine Motor: Desktop Manipulatives	37	Direct	Recreation / Leisure: Adaptive Activities
11	Direct	Fine Motor: Finger Isolation	38	Direct	Relaxation / Facilitation Techniques
12	Direct	Fine Motor: Grasp / Release	39	Direct	Sensory Processing: Classroom Focusing / Attending Skills
13	Direct	Fine Motor: In-Hand Manipulation	40	Direct	Sensory Processing: Management of Classroom tools / Materials
14	Direct	Fine Motor: One-Handed Strategies	41	Direct	Sensory Processing: Self Regulation Skills
15	Direct	Fine Motor: Strengthening / Endurance	42	Direct	Sensory Processing: Transition Behaviors
16	Direct	Functional Academics: Adaptive Handwriting / Writing Accommodations	43	Direct	Therapeutic Exercise: Coordination Activities
17	Direct	Functional Academics: Adaptive Handwriting / Writing Implement	44	Direct	Therapeutic Exercise: Endurance Training
18	Direct	Functional Academics: Adaptive Handwriting / Writing Surface	45	Direct	Therapeutic Exercise: Functional Range of Motion
19	Direct	Functional Academics: Handwriting Control / Coordination	46	Direct	Therapeutic Exercise: Muscle Strengthening
20	Direct	Mobility: Grasp of Ambulation Device	47	Direct	Therapeutic Exercise: Organization / Motor Planning / Spatial Concepts
21	Direct	Mobility Transfer Training:	48	Direct	Therapeutic Exercise: Stretching
22	Direct	Mobility: Transition Training	49	Direct	Vocational: Adaptive Activities
23	Direct	Mobility: Wheelchair Mobility	50	Direct	Visual: Motor Skills
24	Direct	Mobility: Fine	51	Direct	Visual: Perception Skills
25	Direct	Mobility: Gross	52	Direct	Psycho-Social Skills
26	Direct	Neuromuscular Development: Head Control	53	Direct	Environmental Adaptations
27	Direct	Neuromuscular Development: Lower Extremity	54	Direct	Other Direct Service
